Message from the Board on Lodge Usage

Members are reminded that each Member is responsible for the conduct of all family and guests (including children) staying at the Lodge.

The Manager has reported to the Board various concerns about use of the Lodge over Easter 2016, including cereal spilt and walked into carpet, stains in toilet bowls, dishwasher not emptied, rubbish not taken out, carpet not vacuumed, food scraps on carpet attracting ants, children's games and toys not put away, and dishwasher left on with dishes in it.

Paragraph 7.5 of the Hahnenkamm User Rules (on the Members page of the Hahnenkamm website) provides that, outside of the Ski Season *'members and guests are responsible for preparation of their own meals, and maintenance of the kitchen, dining, lounge, laundry areas and general lodge facilities in a clean and tidy condition'*.

Members should ensure that their family and guests using the Lodge at their invitation are made aware of these requirements, and comply with them.

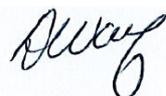

Vale Jacky Mott

Jacky Mott passed away on 30 March 2016. On behalf of the Lodge Members, the Board and I have expressed our condolences to Jess and his sons Harrison and Lachlan.
