Special Rates for Guests for the 2007 Winter Season

At its last meeting on 24 April 2007, the Board noted that Members Priority Bookings are down appreciably from past years. Given that the lodge is in a sound financial position, the board resolved to offer 'special rates' to encourage members to invite their relatives and friends to share the advantages of Lodge usage this Winter season. These reductions are about 20% for accompanied guests and about 10% for unaccompanied guests.
