Lockers

Set out below is a list of lockers according to the Lodge's records. The list is out of date and Louise Murray, Secretary, is attempting to sort out whether the gear that has been left in the lockers belongs to former members or other members using the lockers. Previous locker members contacted to date have asked that the ski gear left behind be given away.

However, to avoid throwing out / giving away gear belonging to current members using these lockers, Louise asks that you contact her if you are either using a locker and not on the list below, or if the number of the locker you are using is incorrect.
